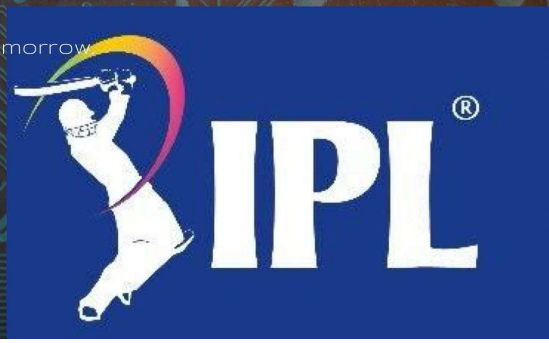
INDIAN PREMIER LEAGUE WIN PROBABILITY PREDICTOR

Exploring innovations that will shape our world tomorrow

Start



INDIAN PREMIER LEAGUE

- The Indian Premier League (IPL) is a men's cricket league in India that takes place annually.
- It is the richest and most popular cricket league in the world.
- The league was founded in 2007 by the Board of Control for Cricket in India (BCCI).
- The IPL is based in a round-robin group and knockout format.
- The IPL is held between March and May.
- The IPL is India's most viewed sports competition.
